Sponsor: COHC	Process Owner/Team Lead: BHID RHIP Wkgp	Facilitator: Rebeckah Berry	Sensei:	

Current Date:	Event Date:	1: REASONS FOR ACTION Go No Go	4: GAP ANALYSIS Go No Go	7: COMPLETION PLAN Go No Go
		<p>Problem: Individuals in our communities are suffering and dying from a lack of a seamless and coordinated continuum of care that identifies and effectively responds to behavioral health needs.</p> <p>Aim: Identify and engage 100% of individuals in Central Oregon that have a behavioral health need, and ensure an effective and timely response.</p> <p>Boundaries: Primary Care, Women's Health, SBHCs, Indian Health Services</p>	(see attached fishbone diagram)	
		2: INITIAL STATE Go No Go	5: SOLUTION APPROACH Go No Go	8: CONFIRMED STATE Go No Go
Team Members:		<p>1. Gather baseline behavioral health screenings and populations screened within all primary care, women's health, emergency department, in-patient hospital, school-based health centers, public health, and Indian Health Services in Central Oregon.</p> <p>2. Gather baseline data on internal behavioral health responses based on screening.</p> <p>3. Gather baseline data on external/outside referrals from inside primary care to specialty BH based on risk.</p> <p>4. Gather baseline data around Peer Support Specialist (PSS)/ Recovery Mentors (RM) used to engage patient.</p>		
	1	3: TARGET STATE: Go No Go	6: RAPID EXPERIMENTS Go No Go	9: INSIGHTS Go No Go
	2	1. Increase appropriate behavioral health screenings and populations screened within all primary care, women's health, emergency department, in-patient hospital, school-based health centers, public health, and Indian Health Services to 95% universal screening in Central Oregon.		
	3			
	4			
	5	2. Increase internal behavioral health responses based on positive screening to 100%.		
	6			
	7	3. Increase completed external/outside referrals from inside primary care to specialty BH based on risk by 100% from baseline.		
	8			
	9	4. Increase Peer Support Specialist (PSS)/ Recovery Mentors (RM) used to engage patient by ____% from baseline.
