

RHIP Substance Use & Chronic Pain Workgroup
PacificSource – Room #210 (2nd Floor)
2965 NE Conners Ave, Bend

Agenda: May 17, 2017 from 3:45pm-5:00pm

Goals

Clinical Goal(s): Create a bi-directional integration approach for people with severe substance use disorders.

Prevention Goal(s): Implement a community standard for appropriate and responsible prescribing of Opioids and Benzodiazepines.

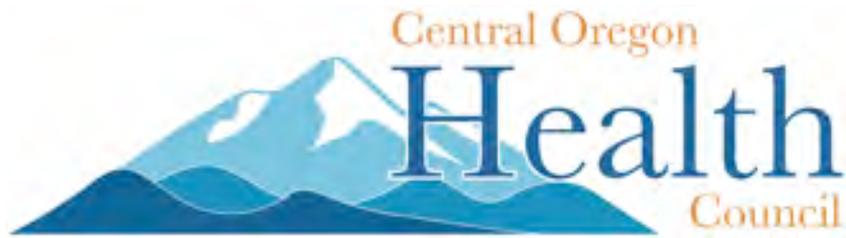

Health Indicators by 2019	QIM Measure	State Measure	Healthy People 2020
1. Increase the rate of successful referrals from medical settings to specialty SUD services of people with moderate-to-severe SUDs.			√
2. First year develop a baseline on the pharmacy, hospital, acute psychiatric, and emergency department expense related to people with moderate-to-severe SUDs. Second year set performance improvement benchmarks.		√	
3. First year develop a baseline for number of people receiving greater than 120 mg morphine equivalent for more than three months.		√ (PIP)	

1. **3:45-3:50** **Introductions—All**

2. **3:50-5:00** **Review/Reword Health Indicators & Outline How To Measure—All**
 - See Health Indicators Above

3. **5:00** **Updates & Action Items—All**

Next Meeting: June 21, 2017 from 4-5pm (Room #210 @ PSCS)

RHIP Workgroup Updates: April

Behavioral Health: Identification & Awareness (Support: Rebeckah Berry, Rick Treleaven & Nikki Lemmon)

- This group meets the fourth Tuesday of every month from 8:15-9:30am and currently has 21 members.
- In April, the group began their A3 process around creating a common response matrix that clinics could adopt, including physician intervention, BHC intervention, short-term behavioral health intervention, and referral to specialty behavioral health. The group also approved and adopted their workgroup charter.

Behavioral Health: Substance Use and Chronic Pain (Support: Rebeckah Berry, Rick Treleaven & Mike Franz)

- This group meets the third Wednesday of every month from 3:45-5pm and currently has 23 members.
- In April, the group began the A3 process for their area of focus. They received an overview and prioritized their first A3, which will be around making SUD engagement services available at hospitals and primary care clinics. Before this group begins their A3, they will review and evaluate their metrics during their May meeting. The group also approved and adopted their workgroup charter.

Cardiovascular Disease—Clinical (Support: Rebeckah Berry & Shiela Stewart)

- This group meets the fourth Tuesday of every month from 3:45-5pm and currently has 10 members.
- In April this workgroup began their A3 around promoting/saturating SmokeFree Oregon cessation and prevention campaigns in Central Oregon. Before the group began working on their A3, they learned more about SmokeFree Oregon through a presentation by public health staff. The group will continue working on their first A3 in May. The group also approved and adopted their workgroup charter.

Diabetes—Clinical (Support: Rebeckah Berry & Therese McIntyre)

- This group meets the second Thursday of every month from 9-10:30am and currently has 15 members.
- In April, this workgroup began their A3 around implementing community-wide standards for the prevention and treatment of type 2 diabetes. The group will continue working on their first A3 in May. The group also approved and adopted their workgroup charter.

CVD & Diabetes: Prevention (Support: MaCayla Arsenault, Sarah Worthington, & Steve Strang)

- This group meets the fourth Tuesday of every month from 3:30-5pm and currently has 27 members.
- The workgroup moved their April 25 meeting to May 9 and will begin their first A3 around reducing barriers for children accessing after-school sports. The workgroup will also go over the results of their School Physical Activity Survey and updated data for their metrics.

RHIP Workgroup Updates: April

Oral Health (Support: Donna Mills & Mary Ann Wren)

- This group meets the third Tuesday of every month from 11-12pm and currently has 24 members.
- The Oral Health Workgroup took the April meeting to review a Prevention and Disease Management presentation by Sharity Ludwig with Advantage Dental. Both House Bills 3353 & 2882 were reviewed by the group with no additional action required or requested. The remainder of the meeting was spent on Box 5 (Solution approaches) of the current A3.

Reproductive Health/Maternal Child Health (Support: Donna Mills & Muriel DeLaVergne-Brown)

- This group meets the second Tuesday of every month from 4-5pm and currently has 23 members.
- The Reproductive and Maternal Child Health Workgroup approved their Workgroup Charter. A review of the metrics, as outlined in the RHIP, was performed before the group launched into their A3 Introduction, training and practice. In May, the Workgroup will have a report out from the Perinatal Care Continuum project.

Social Determinants of Health

- This group meets the third Friday of every month from 10:30-11:30am and currently has 30 members in Kindergarten Readiness and 37 members in Housing.

Education & Health (Support: Donna Mills & Desiree Margo)

- The Kindergarten Readiness Workgroup met for an extended three-hour meeting to hear an update from the TRACES steering committee, as well as approve their Workgroup Charter. They then launched into their A3 Introductions, training and practice. The homework for the workgroup consists of submitting Box 1 (AIM) recommendations prior to the next meeting in May.

Housing (Support: Bruce Abernethy & MaCayla Arsenault)

- In April, the Housing workgroup began their first A3 around developing a housing needs assessment for Central Oregon in order to provide more accurate and actionable data that can be used to better align housing efforts in the region. The workgroup also approved their charter.
