

## **RHIP Workgroup Updates: May**

### **Oral Health (Support: Donna Mills & Mary Ann Wren)**

- This group meets the third Tuesday of every month from 11-12pm and currently has 23 members.
- The Oral Health Workgroup participated in a prioritizing exercise to narrow the experiments as defined Box 6 of their A3. Next meeting steps will begin to move to action and prepare the A3 for the Operations Council.

### **Reproductive Health/Maternal Child Health (Support: Donna Mills & Muriel DeLaVergne-Brown)**

- This group meets the second Tuesday of every month from 4-5pm and currently has 22 members.
- The Reproductive Maternal/Child Health Workgroup heard a presentation on the Perinatal Care Continuum proposal funded by the COHC last year. A robust conversation followed on the successes of the program. Next month the group will begin to prioritize work around the action steps they want to embark on next.

### **Social Determinants of Health**

- This group meets the third Friday of every month from 10:30-11:30am and currently has 26 members in Kindergarten Readiness and 37 members in Housing.

#### **Education & Health (Support: Donna Mills & Desiree Margo)**

- The Kindergarten Readiness workgroup participated in a census building exercise – revealing three priority areas to begin A3s on: Access to Integrated Services, Literacy, and Social and Emotional Support. Next steps include articulating the aim statements within the sub-groups.

#### **Housing (Support: Bruce Abernethy & MaCayla Arsenault)**

- In May, the workgroup reviewed and refined their drafted A3 around addressing the problem that Central Oregon communities do not have a comprehensive understanding of the current housing/homelessness needs which results in missed opportunities for additional funding, unaligned efforts, and a lack of commitment to act. In their gap analysis, they decided to start with completing a Housing Needs Assessment.
