2: INITIAL STATE <input type="checkbox"/> Go <input type="checkbox"/> No Go <ul style="list-style-type: none"> - Outdated housing needs assessment (2006) - Current information is disjointed, often inaccurate and more qualitative than quantitative - Missed potential for local funding due to lack of data - Lack of objective data over the housing spectrum that highlights gaps (by geographic, income level and population groups) leads to unaligned and siloed efforts. 	5: SOLUTION APPROACH <input type="checkbox"/> Go <input type="checkbox"/> No Go <ul style="list-style-type: none"> - If we do a housing needs assessment, then we will have a better understanding how we can help improve the regional housing situation. - If we create an easy to understand analysis of our results, then we can provide a uniformed and consistent presentation for stakeholders. - If we mobilize elected officials and citizens, then we expect to generate policy changes and additional resources to address the gaps outlined in the Housing Needs Assessment. - If we are successful in influencing policy change and generate additional resources for housing, then we expect to have a healthier Central Oregon. 	8: CONFIRMED STATE <input type="checkbox"/> Go <input type="checkbox"/> No Go <p>A new and current housing needs assessment has not been completed.</p>																																	
3: TARGET STATE: <input type="checkbox"/> Go <input type="checkbox"/> No Go <p>Metrics: A new and current housing needs assessment is completed.
