

RHIP Substance Use & Chronic Pain Workgroup
PacificSource – Room #210 (2nd Floor)
2965 NE Conners Ave, Bend

Agenda: September 20, 2017 from 4pm-5:00pm

Goals

Clinical Goal(s): Create a bi-directional integration approach for people with severe substance use disorders.

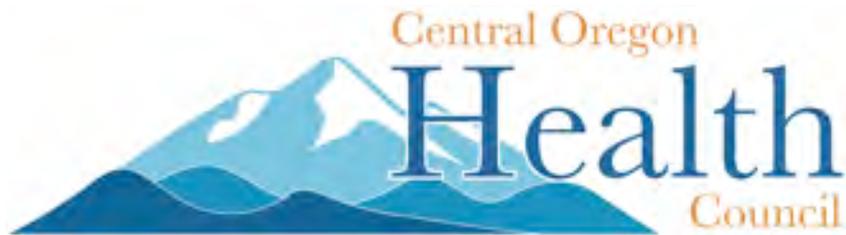

Prevention Goal(s): Implement a community standard for appropriate and responsible prescribing of Opioids and Benzodiazepines.

Health Indicators by 2019

1. Reduce the 3-year rate of overdose hospitalizations due to any drug in Central Oregon to 35 per 100,000 population (2012-2014 rate: 40.27 per 100,000 population)
2. Identify costs saved in Central Oregon due to properly assessing, treating, and referring individuals with moderate-to-severe SUDs.
3. Reduce the percentage of adults who had 4 (women) 5 (men) drinks of alcohol on one occasion in the past 30 days from 15.3% to 13% (non-age adjusted 2012-2015 Central Oregon rate from BRFSS data).
4. Reduce the percentage of 8th and 11th graders who binge drank alcohol one or more time in the past 30 days from 7.9% and 24.6% to 5% and 20% respectively. (2014 Central Oregon rate from Student Wellness Survey)
5. Reduce the percentage of 8th and 11th graders who have used any marijuana in the past 30 days from 10.2% and 25.1% to 7% and 20% respectively. (2014 Central Oregon rate from Student Wellness Survey)
6. Decrease the percent of patients on prescription opioid doses ≥ 90 mg MED/day for more than 30 consecutive days or more from 15.2% to 5%. (Baseline: 2014 data)
7. Increase the number of completed referrals and feedback loop from medical settings to alternative pain management programs from 0 to 100 referrals yearly. (2014: Zero pain management programs in Central Oregon. Zero is baseline.)

1. **4:00-4:05** **Introductions—All**
2. **4:05-4:55** **Continue Work on the Group’s First A3—All**
“All Central Oregonians with an SUD that enter the hospital, the ED, and primary care will receive engagement, treatment, or harm reduction services.”
3. **4:55-5:00** **Updates & Action Items—All**

Next Meeting: October 18, 2017 from 4-5pm (Room #210 @ PSCS)

BH Substance Use & Chronic Pain (23)	Organization
Steve Baker, LPC, MAC	Mosaic Medical
McKenzie Dean, MD	St. Charles Health System
Mike Franz, MD	PacificSource
Erica Fuller, MA, LPC, CADCI	Rimrock Trails Adolescent Treatment Services
Laurie Hubbard, RN, BA, SANE	Deschutes County Health Services
Larry Kogovsek	CAC Consumer Representative
Jessica LeBlanc, MD, MPH	Mosaic Medical & Bend Treatment Center
Leslie Neugebauer, OTR/L, MPH	PacificSource
Matt Owen, JD	Bend Treatment Center
Laura Pennavaria, MD	St. Charles Health System
Sally Pfeifer, BA, CADCI	Pfeifer & Associates
Christine Pierson, MD	Mosaic Medical
Elizabeth Schmitt, MS	CAC Consumer Representative
Scott Safford, PhD	St. Charles Family Care
Bob Snyder, BA, CADCI II, NCAC I	BestCare Treatment Services
Julie Spackman, CPS	Deschutes County Health Services
Barbara Stoen	LifeRAFT Family Support
Ralph Summers, MSW	PacificSource
Kim Swanson, PhD	Mosaic Medical
Karen Tamminga, LCSW	Deschutes County Behavioral Health
Rick Treleaven, LCSW	BestCare Treatment Services
Bill Ward, CADCI	Serenity Lane
Molly Wells Darling, LCSW	St. Charles Health System

RHIP Workgroup Updates: August

Behavioral Health: Identification & Awareness (Support: Rebeckah Berry & Nikki Lemmon)

- This group meets the fourth Tuesday of every month from 8:15-9:15am and currently has 18 members.
- In August, the group continued their A3 process with the aim of identifying and engaging 100% of individuals in Central Oregon that have a behavioral health need, and ensure an effective and timely response. The group finalized their current state and target state measurements, which will structure a baseline survey to be sent out to primary care, women's health, school based health centers, and Indian Health Service. The group is currently in the midst of completing Box 4, the gap analysis. In September, the group will provide guidance for the MindYourMind project and will respond to a first draft of the baseline survey.

Behavioral Health: Substance Use and Chronic Pain (Support: Rebeckah Berry & Rick Treleaven)

- This group meets the third Wednesday of every month from 3:45-5pm and currently has 23 members.
- In August, the group continued the work their first A3 with the aim of all Central Oregonians with an SUD that enter the hospital, the ED, and primary care will receive engagement, treatment, or harm reductions services. In September this workgroup will continue the development of their A3.

Cardiovascular Disease—Clinical (Support: Rebeckah Berry & Shiela Stewart)

- This group meets the fourth Tuesday of every month from 3:45-5pm and currently has 10 members.
- In August, this group continued their work on their first A3 around asking, engaging, and providing services/support to decrease youth tobacco use in Central Oregon.

Diabetes—Clinical (Support: Rebeckah Berry & Shiela Stewart)

- This group meets the second Thursday of every month from 9-10:30am and currently has 12 members.
- In August, this workgroup selected their first experiments within their first A3. The experiments chosen are continuing the work of developing algorithms for patient care based on A1c specifically for the Central Oregon region, and standardizing point of care A1c testing among health care providers throughout the region. In September, the group will finalize their first A3 in order to present to Operations Council.

CVD & Diabetes: Prevention (Support: MaCayla Arsenault, Sarah Worthington, & Steve Strang)

- This group meets the fourth Tuesday of every month from 3:30-5pm and currently has 14 members.
- This workgroup has completed the PICK chart on their A3, and will vote on the results via email to select their experiment. They expect to present their A3 to Ops in October or November.

RHIP Workgroup Updates: August

Oral Health (Support: Donna Mills & Mary Ann Wren)

- This group meets the third Tuesday of every month from 11-12pm and currently has 24 members.
- The OH Workgroup met and vetted two proposals that came from within the existing structure. The A3 these proposals were applicable to was the Screen and Seal. The conversation was robust and will continue into September.
- The A3 will need to be shared with Ops as a matter of protocol.

Reproductive Health/Maternal Child Health (Support: Donna Mills & Muriel DeLaVergne-Brown)

- This group meets the second Tuesday of every month from 4-5pm and currently has 22 members.
- The RMCH workgroup spent their August meeting catching up on what is happening relative to RMCH throughout the Region. Future meetings include continuing work on the A3 for unintended pregnancy and discussing how they can partner with Deschutes County Health Services around the Family Connects model.

Social Determinants of Health

- This group meets the third Friday of every month from 10:30-11:30am and currently has 27 members in Kindergarten Readiness and 37 members in Housing.

Education & Health (Support: Donna Mills & Desiree Margo)

- The KR workgroup did not meet in August due to the Eclipse.

Housing (Support: Bruce Abernethy & MaCayla Arsenault)

- In August, this workgroup did not meet because of the Eclipse. At the beginning of the month Bruce Abernethy presented an A3 experiment for a Housing First-like model through Pfeifer & Associates, and the workgroup has agreed to fund the experiment, pending matching funds from NeighborImpact.
