RHIP Workgroup Updates: September

Behavioral Health: Identification & Awareness (Support: Rebeckah Berry & Nikki Lemmon)

- This group meets the fourth Tuesday of every month from 8:15-9:15am and currently has 18 members.
- In September, the group continued their A3 process with the aim of identifying and engaging 100% of individuals in Central Oregon that have a behavioral health need, and ensuring an effective and timely response. The group completed a gap analysis in box 4, then created and vetted a draft survey which will be sent out to primary care, women's health, school based health centers, and Indian Health Service to collect baseline data that will be used as a starting measurement for their work plan.

Behavioral Health: Substance Use and Chronic Pain (Support: Rebeckah Berry & Rick Treleven)

- This group meets the third Wednesday of every month from 3:45-5pm and currently has 23 members.
- In September, the group continued their A3 process with the aim of all Central Oregonians with a substance use disorder that enter the hospital will receive engagement, treatment, or harm reductions services. The group finalized initial state and target state metric boxes, and will design a survey for the hospital to gather baseline data to be used as a starting measurement for their work plan. In addition, the group began a gap analysis in box 4

Cardiovascular Disease—Clinical (Support: Rebeckah Berry & Shiela Stewart)

- This group meets the fourth Tuesday of every month from 3:45-5pm and currently has 10 members.
- In September this group continued their work on their first A3 around asking, engaging, and providing services/support to decrease youth tobacco use in Central Oregon.

Diabetes—Clinical (Support: Rebeckah Berry & Shiela Stewart)

- This group meets the second Thursday of every month from 9-10:30am and currently has 12 members.
- In September this workgroup completed a draft of their A3 which they will finalize at their October meeting and present to Ops on October 20th. The group also reviewed survey results asking clinics if they have or want Point of Care testing machines. The results concluded that a need exists and this strategy will be included in their Box 6 experiments. The group also edited a survey to measure the dissemination and usefulness of the prediabetes materials developed earlier this year.

CVD & Diabetes: Prevention (Support: MaCayla Arsenault, Sarah Worthington, & Steve Strang)

- This group meets the fourth Tuesday of every month from 3:30-5pm and currently has 13 members.
- In September this workgroup completed boxes 5-8 of their A3, and are planning a pilot to establish a referral system for providers to prescribe physical activity to youth. They will be presenting their A3 to Ops on October 20th.

RHIP Workgroup Updates: August

Oral Health (Support: Donna Mills & Mary Ann Wren)

- This group meets the third Tuesday of every month from 11-12pm and currently has 24 members.
- In September the OH WG met and continued their discussion around the two proposals submitted from Kemple Clinic and Advantage Dental. The discussion concluded and a motion was made to approve the Kemple clinic proposal for one year (\$50k). The A3 surrounding sealants is before the Operations Council on 10/6/17. Next month, after Ops review, the workgroup will move into the implementation stage of their A3.

Reproductive Health/Maternal Child Health (Support: Donna Mills & Muriel DeLaVergne-Brown)

- This group meets the second Tuesday of every month from 4-5pm and currently has 22 members.
- In September the RMCH workgroup met in September and continued their work on the A3 relative to 'unintended pregnancies'. A presentation was given on the program of the Regional Immunization Rate Improvement project, known as AFIX. The up-to-date immunization rate for 24 month olds improved an average of 7% among participating clinics after the first year of participation. The group committed to bringing data to the next meeting that can/could inform, unintended pregnancies by age bracket, to support pilot projects.

Social Determinants of Health

- This group meets the third Friday of every month from 10:30-11:30am and currently has 27 members in Kindergarten Readiness and 24 members in Housing.

Health & Education (Support: Donna Mills & Desiree Margo)

- In September the HE group (formerly Kindergarten Readiness) met in September and heard a presentation from Friends of the Children. The A3 surrounding social and emotional supports was reviewed by the Operations Council on September 1st and ready for specific tactics to meet their aim. The workgroup discussed and reviewed the proposal and a motion was made to approve and fund the proposal (\$75k). Next steps include a meeting with the COHC Quality Manager.

Housing (Support: Bruce Abernethy & MaCayla Arsenault)

- In September the Housing workgroup discussed proposals for their Box 6 experiments intending to help meet the aims of their data & chronic homelessness stabilization A3s.
