

RHIP Workgroup Updates: July

Behavioral Health: Identification & Awareness (Support: Rebeckah Berry & Nikki Lemmon)

- This group meets the fourth Tuesday of every month from 8:15-9:30am and currently has 21 members.
- In July, the group continued their A3 process with the aim of identifying and engaging 100% of individuals in Central Oregon that have a behavioral health need, and ensure an effective and timely response. The group is finalizing their current state and target state measurements and will finalize these in August. Dr. Franz and invited guests also shared an update on the collaborative care psychiatric pilots occurring with children at COPA and Mosaic.

Behavioral Health: Substance Use and Chronic Pain (Support: Rebeckah Berry & Rick Treleven)

- This group meets the third Wednesday of every month from 3:45-5pm and currently has 27 members.
- In July, the group continued the work of evaluating how to measure their metrics for the Substance Use & Chronic Pain area of focus. The group also began their first A3 which will focus on making SUD engagement services available at hospitals (including E.D.) and primary care clinics.

Cardiovascular Disease—Clinical (Support: Rebeckah Berry & Shiela Stewart)

- This group meets the fourth Tuesday of every month from 3:45-5pm and currently has 10 members.
- In July, this workgroup reviewed the current successes and challenges around the smoking prevalence incentive measure. The group also discussed the future evolution of this incentive measure with the state Metrics and Scoring Committee Chair.

Diabetes—Clinical (Support: Rebeckah Berry & Shiela Stewart)

- This group meets the second Thursday of every month from 9-10:30am and currently has 12 members.
- In July, this workgroup continued their A3 process with the aim of 95% of Central Oregonians with Type 2 Diabetes will have an HbA1c of < 9%. In August this group will select their first experiment to “test” in hopes of working toward their aim.
