Land Acknowledgement

We recognize and acknowledge the indigenous land of which we live, work, learn, play, and grow. This is the land of the Warm Springs, Wasco, Northern Paiute, Tenino, Klamath, Molalla, and Yahooskin. We acknowledge them as the past, present, and future caretakers of this land. It is on their traditional land where we partner to improve the health and well-being of Central Oregonians. We aspire to be good guests honoring the concept in the Warm Springs culture: “This land is for you to know and live upon and pass on to the children.”

Regional Health Improvement Plan (RHIP) Workgroup

Guiding Principles

Shared Focus

We come together to improve the health and well-being of individuals living in various and diverse communities throughout Central Oregon region. We use the Regional Health Improvement Plan (RHIP) as our guide. It is our region's shared vision of current problems and our aims. As workgroup partners we develop agreed-upon actions to solve the issues and keep the needs of our communities as the main focus.

Shared Metrics

We measure progress, process and outcomes through a shared lens. We use the Regional Health Assessment (RHA), Regional Health Improvement Plan and community dashboard.

Involve Targeted Population

The individuals living in our diverse Central Oregon communities are the center of our work. We make every effort to include people from every part of the region in our workgroups, discussions, processes and decisions.

Collaborate to Solve Complex Issues

Inviting diverse perspectives from throughout the Central Oregon region deepens our shared understanding of complex issues and propels us toward better progress and outcomes. We practice frequent, structured, open communication to build trust, assure shared objectives, and create common motivation. We respect the privacy and sensitivity of information partners share.

Coordinate Collective Efforts

We are made up of diverse partner organizations and individuals with unique strengths, skills, and resources. We coordinate our efforts and use our unique strengths and skills to meet the goals of the RHIP.

Learn and Adapt Together

We embrace shared learning and a growth mindset. We create a space that allows for mistakes, failures, second changes, and a celebration of brave attempts. We adjust and apply our learnings to the complex and changing landscape of health and well-being in Central Oregon.

RHIP and COVID-19 MINI-GRANT PROJECT SUMMARIES

COVID-19 Final Report for Diversability “COVID19 Pivot & YAYAA Attendant Care Services”

Summary of Results:

- Our project worked to increase capacity and service to individuals in our community with diversabilities.
- Our intentions consisted of three primary objectives:
 - To increase connections for individuals with diversabilities;
 - To increase the number of individuals we serve, and;
 - To launch our Youth and Young Adult Pivot program to expand Pivot services beyond the intellectual/developmental disability category.
- In the grant time-frame, we accomplished one of the three overall objectives.
- Given the challenging labor climate, we would have enjoyed greater outcomes.
- Between February 1, 2021 and June 18, 2021 our objectives resulted in an overall decrease in our capacity to provide Pivot mentoring services.
- While we successfully launched the Youth and Young Adult Pivot program including individuals with diversabilities who otherwise lacked access to our specialized mentoring services, we are disappointed to have not met our SMART outcomes.
- The outcomes of our SMART objectives include fewer hours or "connections" with individuals by 17.25%, service provision to 12 youth and young adults which was an increase of 2 individuals, and onboarding 2 individuals to our newly launched Youth and Young Adult Pivot program.

Quote:

“We are grateful we are able to sustain our programs that serve our community, providing individuals and families with opportunities to remain healthy and in some cases improve their health. Thank you!”

RHIP Mini-Grant Final Report for DAWNS House
“Emergency Service Site Manager”
Reviewed by the Address Poverty and Stable Housing Workgroups

Summary of Results:

- Dawns House has been operating emergency shelter services since Oct 2019.
- We started these vital services to help fill the gap in the growing number of displaced families finding themselves homeless living in camps with their children.
- The mini grant supported the wrap activities for our on-site emergency service manager, mentor.
- Activities included, intake assessment, then fulfillment of needs such as food, clothing, identification recover, OHP/SNAP, mental health enrolment and day to day personal assistance and guidance.
- During this time frame our nonprofit transitioned 23 families through our free emergency service units.
- All were assisted with wrap services.

Story:

DAWNS House assisted several families, but a few stood out from the rest. A single father with a 6 year old girl who had recently lost his wife to cancer and ended up homeless on Hunnel Road. During the time this gentleman was here he was able to heal some of his grief and gain employment again. We were able to get him fast tracked in the rapid rehousing program and transitioned into Foxhollow Apt. we then contacted Furnish Hope nonprofit who came in a beautifully furnished their new little home
